

## About Us

**Xi'an VEGSCI Bio(Tech) Co., Ltd.** specializes in the development, production and services of **natural products**, and is committed to the **food, cosmetics and pharmaceutical** industry to provide **quality raw materials and services**. Our company is located in Xi'an city, one of the world's four ancient capitals. Based on the unique geographical location and rich natural resources, combined with its position as national scientific, educational and industrial base, we hope to use advanced modern methods to explore the mysteries of natural plants and make unremitting efforts for human health.

Our **production plant** is located in Xianyang City, Shaanxi Province. Its production environment is superior, and is well-equipped. Fully in accordance with cGMP norms, we can efficiently complete **kilograms to 100 tons extraction and separation projects**. The range of products includes high quality **isolated natural active ingredients, standardized extracts** and **ratio extracts**, as well as **customized producing services** for natural products.

**VEGSCI** has strong R & D and production strength, with advanced HPLC, GC, UV, IR and complete separation equipment. **VEGSCI** completely complies with modern scientific management concept. Strictly following the requirements of ISO9001 and ISO22000, we established a complete, rigorous and scientific quality and safety management system. Starting from raw materials procurement, production processing and then to the detection and packaging, all the procedures have been strictly controlled, thus ensuring the high quality of our finished products.

# Product List

Product Name*	Specification	Botanical Source/Used Part**	CAS No.	Main Function***
Milk Thistle Extract	EP/USP/DAB(UV80%)	<i>Silybum marianum</i> L./Fruit	-	Liver protective, Anti-tumor, Anti-diabetes
Silybin	HPLC80-98%	<i>Silybum marianum</i> L./Fruit	22888-70-6	Liver protective, Anti-tumor, Anti-diabetes
Apple Extract	Polyphenols UV70-80%	<i>Malus pumila</i> Mill./Unripe Fruit	-	Antioxidation, Lower blood pressure, Anti-dental decay
Phlorizin	HPLC80-95%	<i>Malus pumila</i> Mill./Branch	60-81-1	Antioxidation, Antibacterial, Antiinflammatory, Anti-diabetes
Phloretin	HPLC90-98%	<i>Malus pumila</i> Mill./Branch	60-82-2	Moisturizing, Whitening, Antioxidation
Centella Asiatica Extract	Asiaticosides HPLC10-80%; Acids HPLC 95%	<i>Centella asiatica</i> (L.)Urb./Root	-	Antibacterial, Skin care
Green Tea Extract	Polyphenols UV30-98%	<i>Camellia sinensis</i> /Leaf	-	Antioxidation, Antibacterial, Antivirus
Green Coffee Bean Extract	Chlorogenic Acid HPLC10-50%	<i>Coffea arabica</i> L./Bean	-	Antioxidation, Antibacterial, Antivirus
Eucommia Extract	Chlorogenic Acid HPLC10-98%	<i>Eucommia ulmoides</i> Oliver/Bark	-	Antioxidation, Antibacterial, Antivirus
Honeysuckle Extract	Chlorogenic Acid HPLC5-98%	<i>Lonicera japonica</i> T./Flower	-	Antioxidation, Antibacterial, Antivirus
Ferulic Acid	HPLC98%	<i>Oryza sativa</i> L./Bran	1135-24-6	Antioxidaiton, Antiinflammatory, Cardio-cerebral vascular
Glabridin	HPLC40-98%	<i>Glycyrrhiza glabra</i> L./Root	59870-68-7	Antioxidant, Whitening, Lower blood lipids and pressure
Luteolin	HPLC98%	<i>Sophora Japonica</i> L./Flower Bud	491-70-3	Anti-oxidation, Anti-inflammatory, Anti-tumor
Rutin	NF11/EP/DAB	<i>Sophora Japonica</i> L./Flower Bud	153-18-4	Antiinflammatory, Protect Cardio-cerebral vascular
Hydroxytyrosol	HPLC10-98%	<i>Olea europaea</i> L./Leaf	10597-60-1	Antioxidation, Whitening, Antiaging
Oleuropein	HPLC10-50%	<i>Olea europaea</i> L./Leaf	32619-42-4	Antioxidation, Antibacterial, Protect cardiovascular
Resveratrol	HPLC50-98%	<i>Polygonum cuspidatum</i> S./Root	501-36-0	Antioxidation, Antiaging, Protect cardiovascular, Anticancer
Betulin	HPLC70-95%	<i>Betula platyphylla</i> Suk./Bark	473-98-3	Antiviral, Antiinflammatory, Antibacterial, Hair care
Osthole	HPLC5-98%	<i>Cnidium monnieri</i> (L.) Cuss./Seed	484-12-8	Anti-inflammatory, neuroprotection, Enhance immune
Naringin	HPLC98%	<i>Citrus grandis</i> /Fruit	10236-47-2	Antiinflammatory, Antivirus, Protect cardiovascular
Naringenin	HPLC98%	<i>Citrus grandis</i> /Fruit	480-41-1	Antioxidation, Antiinflammatory, Anticancer
Apigenin	HPLC98%	<i>Citrus grandis</i> /Fruit	520-36-5	Antioxidation, Antiinflammatory, Antivirus, Anticancer
α-Arbutin	HPLC99%	<i>Arctostaphylos</i> Uva Ursi/Fruit	84380-01-8	Whitening, Removing freckles, Antioxidant
β-Arbutin	HPLC99%	<i>Arctostaphylos</i> Uva Ursi/Fruit	497-76-7	Whitening, Removing freckles, Antioxidant
CO Q10	HPLC10-99%	-	303-98-0	Anti-aging, Antioxidation
Kojic Acid	HPLC3-99%	-	501-30-4	Antioxidation, Whitening
Hyaluronic Acid	HPLC99%	-	9004-61-9	Moisturizing, Skin care
